Program Executive Office Intelligence, Electronic Warfare and Sensors
Aberdeen Proving Ground, MD USA 21005

LTC Nick Forlenza graduated from the Florida Institute of Technology and received a commission in the Army. Following completion of the Officer Basic Course (OBC) in Augusta, Georgia, he was assigned to Darmstadt, Germany where he served as a Platoon Leader assigned to Company E, 51st Infantry, Long Range Surveillance (LRS). During this assignment he deployed in support of Operation Iraqi Freedom (OIF) from 2005-2006 where he spent twelve months throughout Kirkuk and Baghdad as part of Task Force Phantom.

Upon redeployment, Nick was re-assigned to the 173rd Airborne Brigade in Vicenza, Italy. Assigned to the Brigade Headquarters, he deployed for 15 months in support Operation Enduring Freedom 2007-2008, supporting operations in Regional Command-East (N2KL) as part of Task Force Bayonet. Following redeployment, he returned to Augusta, Georgia to attend the Captains Career Course (CCC).

After completing the Captains Career Course, Nick was assigned to 3rd Squadron, 2d Cavalry Regiment (SBCT) in Vilseck, Germany. Shortly after arriving, he transitioned to the Fires Squadron and took command of the Regimental Signal Company. He deployed with the Regiment to Regional Command-South for 12 months in support of Operation Enduring Freedom, where his company was assigned as embedded trainers for the Afghan National Police. Following redeployment, he transitioned to command the Headquarters and Headquarters Troop where he would serve until his tour in Germany ended.

Nick was then assigned to the United States Military Academy at West Point as an Instructor and Branch Representative for Military Intelligence, Signal Corps and Cyber. While assigned to West Point, Nick was selected to attend the Command and General Staff Officer Course (CGSC) in residence at Fort Leavenworth, Kansas, where he would also complete a Master's Degree from Central Michigan University.

Following CGSC, Nick attended the Army Acquisition Foundations Course in Huntsville, Alabama, before being assigned to Fort Belvoir, Virginia.

His Acquisition assignments include: APM for PdM Ground Sensors (3rd GEN FLIR), Department of the Army System Coordinator (DASC) for Intelligence, Electronic Warfare, and Sensors (Terrestrial Sensors, Tactical Exploitation of National Capabilities), Financial Synchronization Officer (PEO Command, Control, Communications-Tactical, PEO Enterprise Information Systems), and Deputy Technical Executive / Program Manager at the National Geospatial-Intelligence Agency.
