

PEO IEW&S July 2023 ALT Industry Day

Program Executive Office
Intelligence, Electronic Warfare & Sensors

PM Aircraft Survivability Equipment (ASE)

Program Executive Office
Intelligence, Electronic Warfare & Sensors

- Award timeline for PM ASE Technical contract has been revised August 2023.
- Award timeline for PM ASE Programmatic contract has been revised Oct 2023
- New requirement added for Improved Threat Detection System (ITDS)

PM Electronic Warfare & Cyber (EW&C)

Program Executive Office
Intelligence, Electronic Warfare & Sensors

EWPMT – Currently in Source Selection (RS3)

- RFP Released: 4 April 2023
- Proposal Due Date: 15 May 2023
- Total Vendor Proposals: 7
- Projected Award Date: 4QFY23

TLS BCT Manpack – Currently in Source Selection (C5 OTA)

- RWP Released: 31 March 2023
- White Paper Due Date: 3 May 2023
- Total Vendor Requests: 20
- Total Vendor White Papers Submitted: 6
- Total Vendors Invited to Tech Demo: 4
- Projected Award Date: 4QFY23

PM Intelligence Systems & Analytics (IS&A)

Program Executive Office
Intelligence, Electronic Warfare & Sensors

- Released Broad Area Announcement (BAA) for Artificial Intelligence / Machine Learning, 15 June
- Released Request For Proposal (RFP) for SETA support, 20 June
- Released draft Request For Proposal (RFP) for Weather Operational Effects (Apps 3), 27 June 2023
- Released draft Request For Proposal (RFP) for Information Collection Management (Apps 4), 27 June 2023

PM Positioning, Navigation & Timing (PNT)

Program Executive Office
Intelligence, Electronic Warfare & Sensors

- No changes

PD Sensors Aerial Intelligence (SAI)

Program Executive Office
Intelligence, Electronic Warfare & Sensors

- No changes

PD TENCAP

Program Executive Office
Intelligence, Electronic Warfare & Sensors

- No changes

PM Terrestrial Sensors (PM TS)

Program Executive Office
Intelligence, Electronic Warfare & Sensors

- PM FPS SETA award was made to QED Systems, LLC. On 20 June 23.
