

**Ms. Julie Isaac, Deputy Project Manager
PM Positioning, Navigation, and Timing**

Program Executive Office Intelligence, Electronic Warfare and Sensors
Aberdeen Proving Ground, MD USA 21005

Ms. Julie Isaac assumed responsibilities as the Deputy Project Manager (DPM) for PM PNT in February 2022. In her role as DPM, she provides direction and leadership for the personnel of the PNT to meet the overall execution of the PM portfolio.

Her specific focuses include human resources and talent management, mentoring and leadership development, and PM PNT internal operations. Ms. Isaac's previous assignments include the Acting Deputy Project Director (DPD) for PD Sensors Ariel Intelligence (SAI), Business Management Division Chief for PD SAI, Program Analyst in Product Management Office Electronic Warfare Integration, a Contracts Specialist at Program Executive Office Command Control Communications – Tactical Headquarters (supporting PM Mission Command and PM Network

Enablers) and a Cost Analyst for numerous programs to include PM Terrestrial Sensors.

Ms. Isaac has 14 years of acquisition experience in ACAT I, II, III programs as well as Quick Reaction Capabilities and Non-Programs of Records. She has been involved in multiple phases of the program lifecycle to include Technology Maturation & Risk Reduction (TMRR); Engineering & Material Development (EMD); Production & Deployment (PD); and Operations & Support (O&S). She possesses a Bachelor of Science in Mathematics and Economics, is married to Darnell Isaac, who is a Baltimore County police officer, and has two daughters, Audrey (7) and Gracie (2).
