

Q&A'S FROM JANUARY 2023 ALT INDUSTRY

Q1: Who is the POC that a small business can work with if we have products that Ukraine has indicated they would like to receive through FMS?

A1: Defense Security Cooperation Agency at <https://www.dsca.mil/contact-us>

Q2: Could you bring in the Centers of Excellence and CDIDs to brief what they see 2-5 years out?

A2: The team will look into that option for future ALT Industry Days.

Q3: Will ACC SCoE quarterlies get back to in person events soon?

A3: For FY23 the S3CoE will remain virtual but may start hybrids (virtual and in-person) in FY24 subject to equipment availability.

Q4: S3COE for Feb is not listed on SAM.gov. When will that be posted?

A4: Registration opened Monday 23 Jan 23

Q5: Will EWPM use C5 OTA vehicle vs RS3?

A5: This action will be competed on the RS3 vehicle but its possible that future requirements could be via an OTA.

Q6: When to expect the TENCAP award to happen?

A6: 2nd Quarter FY23.

Q7: When does the Government expect to answer questions for AIE Next? As well, a Past Performance Questionnaire template was not provided with the Solicitation – delayed receipt of that template will make it difficult for customers to respond in time.

A7: The responses to questions were posted to sam.gov on 25 January 2023.
