

**Mr. William T. Utroska, Deputy Project Manager
PM Positioning, Navigation, and Timing**

Program Executive Office Intelligence, Electronic Warfare and Sensors
Aberdeen Proving Ground, MD USA 21005

Mr. William (“Willie”) T. Utroska joined Project Manager Positioning, Navigation, and Timing (PM PNT) as Deputy Project Manager in June 2024, bringing with him a wealth of experience in government, military, and industry. He was commissioned a Second Lieutenant of Infantry in June 1988 and retired in September 2012. He has served in a wide variety of Army and Joint assignments throughout his military and civilian career.

Immediately prior to his current role, Mr. Utroska served as DPM at Electronic Warfare and Cyber for four years and, before that, as Deputy Product Manager Electronic Warfare Integration for three years. His previous acquisition assignments include Operations Officer for Horizontal Technology Integration and Assistant Product Manager, AFATDS, at PEO C3S; and Chief Intel Systems Requirements, Chief System Analysis & Design, and Deputy Chief Systems Engineering Division at USCENTCOM J2. While at

USCENTCOM, Mr. Utroska deployed to Afghanistan, Iraq, and Qatar to support Operations Enduring Freedom and Iraqi Freedom. He later served as the Research, Development, and Engineering Command's first CSL Product Manager, C4ISR, prior to retirement from the Army as Military Deputy, Space & Terrestrial Communications Directorate, CERDEC. Upon retirement, he worked in industry for five years.

Past operational assignments include serving with the 101st ABN Div (Air Assault) as an Assistant S3, Infantry Rifle Company Commander, and Division Chief of Live Fires as well as with the 8th Infantry Division and 1st AR Division as Infantry Rifle Platoon Leader, Infantry Battalion Support Platoon Leader, and Infantry Rifle Company Executive Officer. He was also selected to a congressionally mandated AC/RC assignment as a Company Commander at Fort Chaffee, Arizona for 5th Army.

Mr. Utroska holds a Master of Science in Information Systems Technology Management from the Naval Postgraduate School and a Bachelor of Science in Computer Science from the University of Puerto Rico – Bayamon. Mr. Utroska's military education background includes the Infantry Officer's Basic Course, Infantry Officer's Advance Course, the Combined Armed Services Staff School, Command and General Staff College, Joint and Combined Warfighting School, the Program Manager's Course, and the Colonels Command Assessment Program. He is a member of the Army Acquisition Corps and holds professional certifications in Program Management (Advanced), Engineering & Technical Management (Practitioner) and Test & Evaluation (Foundational).

Mr. Utroska's awards and decorations include the Defense Meritorious Service Medal (with oak leaf clusters), Meritorious Service Medal (with two oak leaf clusters), Army Commendation Medal (with oak leaf cluster), Army Achievement Medal (with two oak leaf clusters), Joint Meritorious Unit Award, Army Superior Unit Award, Meritorious Civilian Service Medal, Civilian Service Achievement Medal as well as multiple campaign medals for Iraq and Afghanistan. He's also earned Air Assault, Parachutist, and Expert Infantryman badges as well as the Ranger tab.

He has three daughters and three grandchildren.
